INTRODUCTION

The 2014 ISDA Credit Derivatives Definitions (the "Definitions") are intended for use in confirmations of individual credit derivative transactions ("Confirmations") governed by agreements such as the 1992 ISDA Master Agreement or the ISDA 2002 Master Agreement published by the International Swaps and Derivatives Association, Inc. ("ISDA"). Copies of the ISDA Master Agreements are available from the executive offices of ISDA or from the ISDA website (www.isda.org). A sample form of Confirmation for use with the Definitions is referenced as Exhibit A to the Definitions and will be made available on the ISDA website.

The Definitions are an update of the 2003 ISDA Credit Derivatives Definitions as supplemented by the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement to the 2003 ISDA Credit Derivatives Definitions, published by ISDA on July 14, 2009. The Definitions provide the basic framework for the documentation of certain credit derivative transactions. For ease of use, certain sections of the Definitions provide fallback provisions that will apply to a transaction if the parties do not specify otherwise in the Confirmation.

As in the case of other product-specific definitions published by ISDA, parties using the Definitions to document credit derivative transactions may adapt or supplement the standard provisions set out in the Definitions in accordance with the specific economic terms agreed between the parties to the relevant transaction.

The Definitions are intended to operate on a free-standing basis and therefore, for most transactions, there is no need to incorporate any other ISDA definitions booklets (such as the 2006 ISDA Definitions) into the Confirmation of a credit derivative transaction.

ISDA has provided the Definitions to assist the safe and efficient functioning of the credit derivatives market by providing a common set of terms for parties to use in preparing Confirmations for credit derivative transactions. *However, the precise documentation of each individual transaction remains the responsibility of the parties concerned. ISDA assumes no responsibility for any use to which the Definitions may be put, including, without limitation, any use of the Definitions in connection with any credit derivative transaction. Each party to a transaction evidenced by a Confirmation referring to or incorporating the Definitions must satisfy itself that the Definitions are appropriate for the transaction, have been properly used and/or adapted in the Confirmation for the transaction and that the Confirmation has generally been properly drafted, in each case, to reflect the commercial intentions of the parties.*

This introduction is not part of the Definitions and is not offered as an interpretation of the Definitions. The notices referred to in the Definitions are not required to be in the forms set forth in the Exhibits which will be made available on the ISDA website.

2014 ISDA CREDIT DERIVATIVES DEFINITIONS

Any or all of the following definitions and provisions may be incorporated into a document by wording in the document indicating that, or the extent to which, the document is subject to the 2014 ISDA Credit Derivatives Definitions, as published by the International Swaps and Derivatives Association, Inc. (the "Definitions"). All definitions and provisions so incorporated in a document will be applicable to that document unless otherwise provided in that document, and all terms defined in the Definitions and used in any definition or provision that is incorporated by reference in a document will have the respective meanings set forth in the Definitions unless otherwise provided in that document. The definitions of currencies shall have the meanings given to those terms in the 2006 ISDA Definitions. Any term used in a document will, when combined with the name of a party, have meaning in respect of the named party only.

ARTICLE I CERTAIN GENERAL DEFINITIONS

Section 1.1. Credit Derivative Transaction. "Credit Derivative Transaction" means any transaction that is identified in the related Confirmation as a Credit Derivative Transaction or any transaction that incorporates the Definitions.

Section 1.2. Confirmation. "Confirmation" means, with respect to a Credit Derivative Transaction, one or more documents and other confirming evidence exchanged between the parties or otherwise effective which, taken together, confirm or evidence all of the terms of that Credit Derivative Transaction.

Section 1.3. Buyer. "Buyer" means the Fixed Rate Payer.

Section 1.4. Seller. "Seller" means the Floating Rate Payer.

Section 1.5. Calculation Agent. "Calculation Agent" means the party to a Credit Derivative Transaction (or a third party) specified as such in the related Confirmation (or, if a person is not so specified, Seller) who is responsible for making the determinations required to be made by the Calculation Agent under the Credit Derivative Transaction in accordance with the terms of the related Confirmation. Whenever the Calculation Agent is required to act or to exercise judgment, it will do so in good faith and in a commercially reasonable manner. The Calculation Agent shall, as soon as practicable after making any of the required determinations, notify the parties of such determination. Furthermore, each party agrees that the Calculation Agent is not acting as a fiduciary for or as an advisor to such party in respect of its duties as Calculation Agent in connection with any Credit Derivative Transaction.

Section 1.6. Credit Derivatives Determinations Committee. "Credit Derivatives Determinations Committee" means each committee established pursuant to the DC Rules for purposes of reaching certain DC Resolutions in connection with Credit Derivative Transactions.

- (b) if none of such Sections is applicable, the later of the final day of (i) the Notice Delivery Period and (ii) the Post Dismissal Additional Period, if any.

Upon the occurrence of a Termination Date, the parties will have no further obligations towards each other in respect of the Credit Derivative Transaction, other than in respect of obligations which have become due on or prior to the Termination Date but have yet to be performed.

Section 1.16. Event Determination Date. "Event Determination Date" means, with respect to a Credit Event and a Credit Derivative Transaction with respect to which:

- (a) "Auction Settlement" is the applicable Settlement Method and "Buyer or Seller" is the Notifying Party:
 - (i) subject to Section 1.16(a)(ii), the Notice Delivery Date, if the Notice Delivery Date occurs during either the Notice Delivery Period or the Post Dismissal Additional Period, provided that neither (A) a DC Credit Event Announcement has occurred nor (B) a DC No Credit Event Announcement has occurred, in each case, with respect to the Credit Event specified in the Credit Event Notice; or
 - (ii) notwithstanding Section 1.16(a)(i), the Credit Event Resolution Request Date, if a DC Credit Event Announcement has occurred, the Credit Event Resolution Request Date has occurred on or prior to the last day of the Notice Delivery Period (including prior to the Trade Date) and either:
 - (A) (I) the Credit Event is not an M(M)R Restructuring; and
 - (II) the Trade Date occurs on or prior to a DC Announcement Coverage Cut-off Date; or
 - (B) (I) the Credit Event is an M(M)R Restructuring; and
 - (II) a Credit Event Notice is delivered by a Notifying Party to the other party and is effective on or prior to the Exercise Cut-off Date,

provided that:

- (x) no Physical Settlement Date, if applicable, or Termination Date has occurred on or prior to the date on which the DC Credit Event Meeting Announcement occurs;
- (y) if any Valuation Date or Delivery Date, as applicable, has occurred on or prior to the date on which the DC Credit Event Meeting Announcement occurs, an Event

Determination Date shall be deemed to have occurred only with respect to the portion of the Floating Rate Payer Calculation Amount, if any, with respect to which no Valuation Date or Delivery Date, as applicable, has occurred; and

- (z) no Credit Event Notice specifying an M(M)R Restructuring as the only Credit Event has previously been delivered to Seller by Buyer as Notifying Party, (aa) unless the M(M)R Restructuring specified in such Credit Event Notice is also the subject of the DC Credit Event Question resulting in the occurrence of the Credit Event Resolution Request Date, (bb) unless, and to the extent that, the Exercise Amount specified in such Credit Event Notice was less than the Floating Rate Payer Calculation Amount, or (cc) unless the Credit Derivative Transaction is an Auction Covered Transaction and the Deliverable Obligations set out on the Final List are identical to the Permissible Deliverable Obligations for such Credit Derivative Transaction, or
- (b) Section 1.16(a) does not apply, the Non-Standard Event Determination Date determined in accordance with Section 14.1 (*Non-Standard Event Determination Date*).

Section 1.17. DC Announcement Coverage Cut-off Date. "DC Announcement Coverage Cut-off Date" means, with respect to a DC Credit Event Announcement, the Auction Final Price Determination Date, the Auction Cancellation Date, or the date that is fourteen calendar days following the No Auction Announcement Date, if any, as applicable.

Section 1.18. Different Event Determination Dates. If different Event Determination Dates have been determined with respect to different portions of the Floating Rate Payer Calculation Amount or an Event Determination Date has been determined with respect to only a portion of the Floating Rate Payer Calculation Amount, the rights and obligations of the parties shall, with effect from each such Event Determination Date, be construed as if the parties had entered into a separate Credit Derivative Transaction with respect to each such portion with such modifications as the Calculation Agent (in consultation with the parties) shall determine are required in order to preserve the economic effects of the two Credit Derivative Transactions considered in aggregate.

Section 1.19. No Event Determination Date. Subject to Section 10.2(a)(i)(III) (*Effect of DC Resolutions*), no Event Determination Date will occur with respect to an event, and any Event Determination Date previously determined with respect to an event shall be deemed not to have occurred, if, or to the extent that, prior to the Auction Final Price Determination Date, a Valuation Date, the Physical Settlement Date (or, if earlier, a Delivery Date), or the Termination Date, as applicable, a DC No Credit Event Announcement occurs with respect to such event.

Section 1.20. Adjustment Payments. If, in accordance with Section 1.16 (*Event Determination Date*) or 1.19 (*No Event Determination Date*), (a) following the determination of an Event Determination Date, such Event Determination Date is deemed either to have occurred on a date that is different from the date that was originally determined to be the Event Determination Date or not to have occurred, or (b) an Event Determination Date is deemed to have occurred prior to a preceding Fixed Rate Payer Payment Date, the Calculation Agent will determine (i) the adjustment payment, if any, that is payable to reflect any change that may be necessary to the Fixed Amounts previously calculated and/or paid in respect of the Credit Derivative Transaction, (ii) the date on which any such adjustment payment is payable and (iii) the party to the Credit Derivative Transaction that is obliged to make any such adjustment payment. For the avoidance of doubt, no accruals of interest shall be taken into account when calculating any such adjustment payment.

Section 1.21. Notifying Party. "Notifying Party" means "Buyer or Seller", unless otherwise specified in the related Confirmation.

Section 1.22. Notice Delivery Date. "Notice Delivery Date" means the first date on which both an effective Credit Event Notice and, unless "Notice of Publicly Available Information" is specified as not applicable in

the related Confirmation, an effective Notice of Publicly Available Information, have been delivered by a Notifying Party to the other party.

Section 1.23. Notice Delivery Period. "Notice Delivery Period" means the period from and including the Trade Date to and including the date that is fourteen calendar days after the Extension Date.

Section 1.24. Post Dismissal Additional Period. "Post Dismissal Additional Period" means the period from and including the date of the DC Credit Event Question Dismissal to and including the date that is fourteen calendar days thereafter (provided that the relevant Credit Event Resolution Request Date occurred on or prior to the end of the last day of the Notice Delivery Period (including prior to the Trade Date)).

Section 1.25. DC Credit Event Meeting Announcement. "DC Credit Event Meeting Announcement" means, with respect to the Reference Entity, a public announcement by the DC Secretary that a Credit Derivatives Determinations Committee will be convened to Resolve the matters described in a DC Credit Event Question.

Section 1.28. DC Credit Event Announcement. "DC Credit Event Announcement" means, with respect to the Reference Entity, a public announcement by the DC Secretary that the relevant Credit Derivatives Determinations Committee has Resolved that an event that constitutes a Credit Event for purposes of the Credit Derivative Transaction has occurred on or after the Credit Event Backstop Date and on or prior to the Extension Date, provided that if the Credit Event occurred after the Scheduled Termination Date, the DC Credit Event Announcement must relate to the relevant Potential Failure to Pay, in the case of a Grace Period Extension Date, or the relevant Potential Repudiation/Moratorium, in the case of a Repudiation/Moratorium Evaluation Date.

Section 1.29. DC No Credit Event Announcement. "DC No Credit Event Announcement" means, with respect to the Reference Entity, a public announcement by the DC Secretary that the relevant Credit Derivatives Determinations Committee has Resolved that an event that is the subject of a DC Credit Event Question does not constitute a Credit Event for purposes of the Credit Derivative Transaction.

Section 1.30. Credit Event Resolution Request Date. "Credit Event Resolution Request Date" means, with respect to a DC Credit Event Question, the date as publicly announced by the DC Secretary that the relevant Credit Derivatives Determinations Committee Resolves to be the date on which the DC Credit Event Question was effective and on which the relevant Credit Derivatives Determinations Committee was in possession of Publicly Available Information with respect to such DC Credit Event Question.

Section 1.31. M(M)R Restructuring. "M(M)R Restructuring" means a Restructuring Credit Event in respect of which either "Mod R" or "Mod Mod R" is specified as applicable in the related Confirmation.

Section 1.32. Credit Event Notice. "Credit Event Notice" means an irrevocable notice from a Notifying Party to the other party that describes a Credit Event that occurred on or after the Credit Event Backstop Date and on or prior to the Extension Date.

Any Credit Event Notice that describes a Credit Event that occurred after the Scheduled Termination Date must relate to the relevant Potential Failure to Pay, in the case of a Grace Period Extension Date, or the relevant Potential Repudiation/Moratorium, in the case of a Repudiation/Moratorium Evaluation Date.

A Credit Event Notice that describes a Credit Event other than an M(M)R Restructuring must be in respect of the full Floating Rate Payer Calculation Amount.

A Credit Event Notice must contain a description in reasonable detail of the facts relevant to the determination that a Credit Event has occurred. The Credit Event that is the subject of the Credit Event Notice need not be continuing on the date the Credit Event Notice is effective.

A form of Credit Event Notice is set forth in Exhibit B.

Section 1.33. Credit Event Notice after M(M)R Restructuring. Upon the occurrence of an M(M)R Restructuring:

- (a) a Notifying Party may deliver multiple Credit Event Notices with respect to such M(M)R Restructuring, each such Credit Event Notice setting forth the amount of the Floating Rate Payer Calculation Amount to which such Credit Event Notice applies (the "Exercise Amount"), provided that if the Credit Event Notice does not specify an Exercise Amount, the full Floating Rate Payer Calculation Amount will be deemed to have been specified as the Exercise Amount;
- (b) if the Notifying Party has delivered a Credit Event Notice that specifies an Exercise Amount that is less than the Floating Rate Payer Calculation Amount, the rights and obligations of the parties shall, with effect from the date such Credit Event Notice is effective, be construed as if the parties had entered into two Credit Derivative Transactions, one of which has a Floating Rate Payer Calculation Amount equal to the Exercise Amount and, upon the occurrence of an Event Determination Date, will be settled in accordance with the applicable Settlement Method or Fallback Settlement Method, as applicable, and the other of which will have a Floating Rate Payer Calculation Amount equal to the Floating Rate Payer Calculation Amount outstanding prior to such Credit Event Notice minus the Exercise Amount and will continue in effect with such modifications as the Calculation Agent (in consultation with the parties) shall determine are required in order to preserve the economic effects of the two Credit Derivative Transactions (considered in aggregate); and
- (c) the Exercise Amount in connection with a Credit Event Notice describing an M(M)R Restructuring must be an amount that is at least 1,000,000 units of the currency (or, if Japanese Yen, 100,000,000 units) in which the Floating Rate Payer Calculation Amount is denominated and an integral multiple thereof or the entire Floating Rate Payer Calculation Amount.

Section 2.1. Reference Entity. "Reference Entity" means the entity specified as such in the related Confirmation. Any Successor to the Reference Entity either (a) identified by the Calculation Agent pursuant to Section 2.2 (*Provisions for Determining a Successor*) on or following the Trade Date, or (b) identified pursuant to a DC Resolution in respect of a Successor Resolution Request Date and publicly announced by the DC Secretary on or following the Trade Date shall, in each case, with effect from the Succession Date, be the Reference Entity for the relevant Credit Derivative Transaction or a New Credit Derivative Transaction (as determined pursuant to such Section 2.2 (*Provisions for Determining a Successor*)).

Section 2.2. Provisions for Determining a Successor.

- (a) "Successor" means, subject to Section 2.2(c), the entity or entities, if any, determined as follows:
- (i) subject to Section 2.2(a)(vii), if one entity succeeds, either directly or as a provider of a Relevant Guarantee, to seventy-five per cent or more of the Relevant Obligations of the Reference Entity, that entity will be the sole Successor for the entire Credit Derivative Transaction;
 - (ii) if only one entity succeeds, either directly or as a provider of a Relevant Guarantee, to more than twenty-five per cent (but less than seventy-five per cent) of the Relevant Obligations of the Reference Entity, and not more than twenty-five per cent of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than twenty-five per cent of the Relevant Obligations will be the sole Successor for the entire Credit Derivative Transaction;
 - (iii) if more than one entity each succeeds, either directly or as a provider of a Relevant Guarantee, to more than twenty-five per cent of the Relevant Obligations of the Reference Entity, and not more than twenty-five per cent of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than twenty-five per cent of the Relevant Obligations will each be a Successor for a New Credit Derivative Transaction determined in accordance with Section 2.2(n);
 - (iv) if one or more entities each succeeds, either directly or as a provider of a Relevant Guarantee, to more than twenty-five per cent of the Relevant Obligations of the Reference Entity, and more than twenty-five per cent of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor for a New Credit Derivative Transaction determined in accordance with Section 2.2(n);
 - (v) if one or more entities succeed, either directly or as a provider of a Relevant Guarantee, to a portion of the Relevant Obligations of the Reference Entity, but no entity succeeds to more than twenty-five per cent of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity and the Credit Derivative Transaction will not be changed in any way as a result of such succession;
 - (vi) if one or more entities succeed, either directly or as a provider of a Relevant Guarantee, to a portion of the Relevant Obligations of the Reference Entity, but no entity succeeds to more than twenty-five per cent of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations will be the Successor (provided that if two or more entities succeed to

an equal percentage of Relevant Obligations, each such entity will be a Successor for a New Credit Derivative Transaction determined in accordance with Section 2.2(n)); and

- (vii) in respect of a Reference Entity which is not a Sovereign, if one entity assumes all of the obligations (including at least one Relevant Obligation) of the Reference Entity, and at the time of the determination either (A) the Reference Entity has ceased to exist, or (B) the Reference Entity is in the process of being dissolved (howsoever described) and the Reference Entity has not issued or incurred any Borrowed Money obligation at any time since the legally effective date of the assumption, such entity (the "Universal Successor") will be the sole Successor for the entire Credit Derivative Transaction.
- (b) The Calculation Agent will be responsible for determining, as soon as reasonably practicable after delivery of a Successor Notice and with effect from the Succession Date, any Successor or Successors under Section 2.2(a); provided that the Calculation Agent will not make such determination if, at the time of determination, the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that there is no Successor based on the relevant succession to Relevant Obligations.

The Calculation Agent will make all calculations and determinations required to be made under Section 2.2 on the basis of Eligible Information and will notify the parties of any such calculation or determination as soon as practicable.

In calculating the percentages used to determine whether an entity qualifies as a Successor under Section 2.2(a), if there is a Steps Plan, the Calculation Agent shall consider all related successions in respect of such Steps Plan in aggregate as if forming part of a single succession.

- (c) An entity may only be a Successor if:
 - (i) either (A) the related Succession Date occurs on or after the Successor Backstop Date, or (B) such entity is a Universal Successor in respect of which the Succession Date occurred on or after January 1, 2014;
 - (ii) the Reference Entity had at least one Relevant Obligation outstanding immediately prior to the Succession Date and such entity succeeds to all or part of at least one Relevant Obligation of the Reference Entity; and
 - (iii) where the Reference Entity is a Sovereign, such entity succeeded to the Relevant Obligations by way of a Sovereign Succession Event.
- (d) For purposes of Section 2.2, "succeed" means, with respect to the Reference Entity and its Relevant Obligations, that an entity other than the Reference Entity (i) assumes or becomes liable for such Relevant Obligations whether by operation of law or pursuant to any agreement (including, with respect to a Reference Entity that is a Sovereign, any protocol, treaty, convention, accord, concord, entente, pact or other agreement), or (ii) issues Bonds or incurs Loans (the "Exchange Bonds or Loans") that are exchanged for Relevant Obligations, and in either case the Reference Entity is not thereafter a direct obligor or a provider of a Relevant Guarantee with respect to such Relevant Obligations or such Exchange Bonds or Loans, as applicable. For purposes of Section 2.2, "succeeded" and "succession" shall be construed accordingly.
- (e) "Sovereign Succession Event" means, with respect to a Reference Entity that is a Sovereign, an annexation, unification, secession, partition, dissolution, consolidation, reconstitution or other similar event.
- (f) "Relevant Obligations" means the Obligations of the Reference Entity which fall within the Obligation Category "Bond or Loan" and which are outstanding immediately prior to the Succession

Date (or, if there is a Steps Plan, immediately prior to the legally effective date of the first succession), provided that:

- (i) any Bonds or Loans outstanding between the Reference Entity and any of its Affiliates, or held by the Reference Entity, shall be excluded;
 - (ii) if there is a Steps Plan, the Calculation Agent shall, for purposes of the determination required to be made under Section 2.2(a), make the appropriate adjustments required to take account of any Obligations of the Reference Entity which fall within the Obligation Category "Bond or Loan" that are issued, incurred, redeemed, repurchased or cancelled from and including the legally effective date of the first succession to and including the Succession Date;
 - (iii) if "Financial Reference Entity Terms" is specified as applicable in the related Confirmation and the Credit Derivative Transaction is a Senior Transaction, the Relevant Obligations shall only include the Senior Obligations of the Reference Entity which fall within the Obligation Category "Bond or Loan"; and
 - (iv) if "Financial Reference Entity Terms" is specified as applicable in the related Confirmation, and the Credit Derivative Transaction is a Subordinated Transaction, Relevant Obligations shall exclude Senior Obligations and any Further Subordinated Obligations of the Reference Entity which fall within the Obligation Category "Bond or Loan", provided that if no such Relevant Obligations exist, "Relevant Obligations" shall have the same meaning as it would if the Credit Derivative Transaction were a Senior Transaction.
- (g) In the case of an exchange offer, the determination required pursuant to Section 2.2(a) shall be made on the basis of the outstanding principal balance of Relevant Obligations exchanged and not on the basis of the outstanding principal balance of the Exchange Bonds or Loans.
- (h) If two or more entities (each, a "Joint Potential Successor") jointly succeed to a Relevant Obligation (the "Joint Relevant Obligation") either directly or as a provider of a Relevant Guarantee, then (i) if the Joint Relevant Obligation was a direct obligation of the Reference Entity, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as direct obligor or obligors, or (ii) if the Joint Relevant Obligation was a Relevant Guarantee, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as guarantor or guarantors, if any, or otherwise by each Joint Potential Successor in equal parts.
- (i) "Steps Plan" means a plan evidenced by Eligible Information contemplating that there will be a series of successions to some or all of the Relevant Obligations of the Reference Entity, by one or more entities.
- (j) "Succession Date" means the legally effective date of an event in which one or more entities succeed to some or all of the Relevant Obligations of the Reference Entity; provided that if at such time, there is a Steps Plan, the Succession Date will be the legally effective date of the final succession in respect of such Steps Plan, or if earlier (i) the date on which a determination pursuant to Section 2.2(a) would not be affected by any further related successions in respect of such Steps Plan, or (ii) the occurrence of an Event Determination Date in respect of the Reference Entity or any entity which would constitute a Successor.
- (k) "Successor Backstop Date" means for purposes of any Successor determination determined by DC Resolution, the date that is ninety calendar days prior to the Successor Resolution Request Date otherwise, the date that is ninety calendar days prior to the earlier of (i) the date on which the Successor Notice is effective and (ii) in circumstances where (A) a Successor Resolution Request

Date has occurred, (B) the relevant Credit Derivatives Determinations Committee has Resolved not to make a Successor determination and (C) the Successor Notice is delivered by one party to the other party not more than fourteen calendar days after the day on which the DC Secretary publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to make a Successor determination, the Successor Resolution Request Date. The Successor Backstop Date shall not be subject to adjustment in accordance with any Business Day Convention.

- (l) "Successor Resolution Request Date" means, with respect to a notice to the DC Secretary requesting that a Credit Derivatives Determinations Committee be convened to Resolve one or more Successors to the Reference Entity, the date, as publicly announced by the DC Secretary, that the relevant Credit Derivatives Determinations Committee Resolves to be the date on which such notice is effective.
- (m) "Successor Notice" means an irrevocable notice from a party to a Credit Derivative Transaction to the other party and the Calculation Agent that describes a succession (or, in relation to a Reference Entity that is a Sovereign, a Sovereign Succession Event) in respect of which a Succession Date has occurred and pursuant to which one or more Successors to the Reference Entity can be determined.

A Successor Notice must contain a description in reasonable detail of the facts relevant to the determination to be made pursuant to Section 2.2(a).

- (n) Where, pursuant to Section 2.2(a)(iii), (iv) or (vi), more than one Successor has been identified, the relevant Credit Derivative Transaction will be divided, with effect from the Succession Date, into the same number of new Credit Derivative Transactions (the "New Credit Derivative Transactions") as there are Successors, with the following terms:
 - (i) each Successor will be the Reference Entity for the purposes of one of the New Credit Derivative Transactions;
 - (ii) in respect of each New Credit Derivative Transaction, the Fixed Rate Payer Calculation Amount, if any, and the Floating Rate Payer Calculation Amount will be the Fixed Rate Payer Calculation Amount and the Floating Rate Payer Calculation Amount, as applicable, of the original Credit Derivative Transaction divided by the number of Successors; and
 - (iii) all other terms and conditions of the original Credit Derivative Transaction will be replicated in each New Credit Derivative Transaction except that the Calculation Agent (in consultation with the parties) shall make such modifications as it determines are required in order to preserve the economic effects of the original Credit Derivative Transaction in the New Credit Derivative Transactions (considered in aggregate).

Section 2.3. Eligible Information. "Eligible Information" means information which is publicly available or which can be made public without violating any law, agreement, understanding or other restriction regarding the confidentiality of such information.

Section 2.4. Sovereign. "Sovereign" means any state, political subdivision or government, or any agency, instrumentality, ministry, department or other authority acting in a governmental capacity (including, without limiting the foregoing, the central bank) thereof.

- (a) "Standard Reference Obligation" is specified as not applicable in the related Confirmation, in which case the Reference Obligation will be the Non-Standard Reference Obligation, if any; or
- (b) (i) "Standard Reference Obligation" is specified as applicable in the related Confirmation (or no election is specified in the related Confirmation), (ii) there is no Standard Reference Obligation and

(iii) a Non-Standard Reference Obligation is specified in the related Confirmation, in which case the Reference Obligation will be (A) the Non-Standard Reference Obligation to but excluding the first date of publication of the Standard Reference Obligation and (B) the Standard Reference Obligation from such date onwards, provided that the Standard Reference Obligation that is published would have been eligible to be selected as a Substitute Reference Obligation.

Section 2.7. Non-Standard Reference Obligation. "Non-Standard Reference Obligation" means the Original Non-Standard Reference Obligation or if a Substitute Reference Obligation has been determined, the Substitute Reference Obligation.

Section 2.8. Original Non-Standard Reference Obligation. "Original Non-Standard Reference Obligation" means the obligation of the Reference Entity (either directly or as provider of a guarantee) which is specified as the Reference Obligation in the related Confirmation (if any is so specified) provided that if an obligation is not an obligation of the Reference Entity, such obligation will not constitute a valid Original Non-Standard Reference Obligation for purposes of the Credit Derivative Transaction (other than for the purposes of determining the Seniority Level and for the "Not Subordinated" Obligation Characteristic or "Not Subordinated" Deliverable Obligation Characteristic) unless (a) the parties express their intention to amend or override this provision in writing in the related Confirmation by referring directly to Section 2.8, or (b) the Credit Derivative Transaction is a Reference Obligation Only Trade.

Section 2.9. No Standard Reference Obligation. If the Standard Reference Obligation is removed from the SRO List, such obligation shall cease to be the Reference Obligation (other than for purposes of the "Not Subordinated" Obligation Characteristic or "Not Subordinated" Deliverable Obligation Characteristic) and there shall be no Reference Obligation unless and until such obligation is subsequently replaced on the SRO List, in which case, the new Standard Reference Obligation in respect of the Reference Entity shall constitute the Reference Obligation.

Section 2.10. Substitute Reference Obligation. "Substitute Reference Obligation" means, with respect to a Non-Standard Reference Obligation to which a Substitution Event has occurred, the obligation that will replace the Non-Standard Reference Obligation, determined by the Calculation Agent as follows:

- (a) The Calculation Agent shall (after consultation with the parties) identify the Substitute Reference Obligation in accordance with Sections 2.10(c), (d) and (e) to replace the Non-Standard Reference Obligation; provided that the Calculation Agent will not identify an obligation as the Substitute Reference Obligation if, at the time of the determination, such obligation has already been rejected as the Substitute Reference Obligation by the relevant Credit Derivatives Determinations Committee and such obligation has not changed materially since the date of the relevant DC Resolution.
- (b) If any of the events set forth under Sections 2.11(a)(i) or (iii) (*Substitution Event*) have occurred with respect to the Non-Standard Reference Obligation, the Non-Standard Reference Obligation will cease to be the Reference Obligation (other than for purposes of the "Not Subordinated" Obligation Characteristic or "Not Subordinated" Deliverable Obligation Characteristic and Section 2.10(c)(ii)). If the event set forth in Section 2.11(a)(ii) (*Substitution Event*) has occurred with respect to the Non-Standard Reference Obligation and no Substitute Reference Obligation is available, the Non-Standard Reference Obligation will continue to be the Reference Obligation until the Substitute Reference Obligation is identified or, if earlier, until any of the events set forth under Sections 2.11(a)(i) or (a)(iii) (*Substitution Event*) occur with respect to such Non-Standard Reference Obligation.

- (c) The Substitute Reference Obligation shall be an obligation that on the Substitution Date:
- (i) is a Borrowed Money obligation of the Reference Entity (either directly or as provider of a guarantee);

"Transferable" is specified in the related Confirmation, such Confirmation shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Deliverable Obligations that are not Loans, or (iii) any of the Deliverable Obligation Characteristics "Assignable Loan", "Consent Required Loan" or "Direct Loan Participation" is specified in the related Confirmation, such Confirmation shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Loans.

- (c) If more than one of "Assignable Loan", "Consent Required Loan" and "Direct Loan Participation" are specified as Deliverable Obligation Characteristics in the related Confirmation, the Deliverable Obligations may include any Loan that satisfies any one of such Deliverable Obligation Characteristics specified and need not satisfy all such Deliverable Obligation Characteristics.
- (d) If an Obligation or a Deliverable Obligation is a Relevant Guarantee, the following will apply:
 - (i) For purposes of the application of the Obligation Category or the Deliverable Obligation Category, the Relevant Guarantee shall be deemed to satisfy the same category or categories as those that describe the Underlying Obligation;

- (f) If "Financial Reference Entity Terms" and "Governmental Intervention" are specified as applicable in the related Confirmation, if an obligation would otherwise satisfy a particular Obligation Characteristic or Deliverable Obligation Characteristic, the existence of any terms in the relevant obligation in effect at the time of making the determination which permit the Reference Entity's obligations to be altered, discharged, released or suspended in circumstances which would constitute a Governmental Intervention, shall not cause such obligation to fail to satisfy such Obligation Characteristic or Deliverable Obligation Characteristic.
- (g) For purposes of determining the applicability of Deliverable Obligation Characteristics and the requirements specified in Sections 3.31(a) (*Mod R*) and 3.32(a) (*Mod Mod R*) to a Prior Deliverable Obligation or a Package Observable Bond, any such determination shall be made by reference to the terms of the relevant obligation in effect immediately prior to the Asset Package Credit Event.

- (h) If "Subordinated European Insurance Terms" is specified as applicable in the related Confirmation, if an obligation would otherwise satisfy the "Maximum Maturity" Deliverable Obligation Characteristic, the existence of any Solvency Capital Provisions in such obligation shall not cause it to fail to satisfy such Deliverable Obligation Characteristic.

Section 3.19. Solvency Capital Provisions. In order for a guarantee to constitute a Qualifying Guarantee:

- (x) the benefit of such guarantee must be capable of being Delivered together with the Delivery of the Underlying Obligation; and
- (y) if a guarantee contains a Fixed Cap, all claims to any amounts which are subject to such Fixed Cap must be capable of being Delivered together with the Delivery of such guarantee.

If such party is able to obtain two or more Full Quotations or a Weighted Average Quotation on the same Business Day within an additional five Business Days, the Calculation Agent shall use such Full Quotations or Weighted Average Quotation to determine the Final Price in accordance with the specified Valuation

Method. If such party is unable to obtain two or more Full Quotations or a Weighted Average Quotation on the same Business Day within an additional five Business Days, the Quotations shall be deemed to be any Full Quotation obtained from a Dealer at the Valuation Time on such fifth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations for the Reference Obligation obtained from Dealers at the Valuation Time on such fifth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations were not obtained on such day. TERMS RELATING TO PHYSICAL SETTLEMENT

Section 8.1. Physical Settlement. If "Physical Settlement" is specified as the Settlement Method in the related Confirmation (or if Physical Settlement is applicable as the Fallback Settlement Method in accordance with Section 6.1 (*Auction Settlement*)), Buyer shall, subject to Sections 5.1 (*Settlement*), 10.1 (*Settlement Suspension*) and 11.2(c)(ii) (*Additional Representations and Agreements for Physical Settlement*), on or prior to the Physical Settlement Date, Deliver to Seller the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, and Seller shall pay to Buyer the Physical Settlement Amount that corresponds to the Deliverable Obligations that Buyer has Delivered. If Buyer Delivers Deliverable Obligations in an amount greater than the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, Seller shall not be required to pay more than the Physical Settlement Amount that corresponds to the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable. For purposes of the foregoing, Delivery by Buyer and payment by Seller shall be made in accordance with market practice applicable to the Deliverable Obligation on the Delivery Date.

In the case of Deliverable Obligations that are (a) Borrowed Money, Buyer shall Deliver Deliverable Obligations with an Outstanding Principal Balance and (b) not Borrowed Money, Buyer shall Deliver Deliverable Obligations with a Due and Payable Amount (or, in the case of either (a) or (b), the equivalent Currency Amount of any such amount), in each case in the aggregate amount as of the relevant Delivery Dates that is equal to the Floating Rate Payer Calculation Amount; provided that Buyer may Deliver Deliverable Obligations with an Outstanding Principal Balance or a Due and Payable Amount, as applicable, (or the equivalent Currency Amount of any such amount), in the aggregate amount as of the relevant Delivery Dates that is either (i) greater than the Floating Rate Payer Calculation Amount, in which case Seller shall not be required to pay more than the Physical Settlement Amount to Buyer, or (ii) less than the Floating Rate Payer Calculation Amount, in which case Seller shall not be required to pay more than the proportion of the Physical Settlement Amount that corresponds to the Deliverable Obligations Delivered, subject to Section 11.2(c)(ii) (*Additional Representations and Agreements for Physical Settlement*).

Section 8.2. Notice of Physical Settlement. "Notice of Physical Settlement" means a notice from Buyer to Seller that (a) confirms that Buyer intends to settle the Credit Derivative Transaction and requires performance in accordance with Physical Settlement, (b) contains a detailed description of each Deliverable Obligation that Buyer intends to Deliver to Seller, including, if available and applicable, the CUSIP or ISIN number (or, if such identifying number is not available or applicable, the rate and tenor) of each such Deliverable Obligation and (c) specifies the Outstanding Principal Balance or Due and Payable Amount, as applicable, or the equivalent amount in the Settlement Currency (in each case, the "Outstanding Amount") and, if different, the face amount, of each such Deliverable Obligation and the aggregate Outstanding Amount of all Deliverable Obligations specified in the Notice of Physical Settlement that Buyer intends to Deliver to Seller (the "Aggregate Outstanding Amount").

Buyer may, from time to time, notify Seller in the manner specified above (each such notification, a "NOPS Amendment Notice") that Buyer is replacing, in whole or in part, one or more Deliverable Obligations specified in the Notice of Physical Settlement or a prior NOPS Amendment Notice, as applicable, (to the extent the relevant Deliverable Obligation has not been Delivered as of the date such NOPS Amendment Notice is effective). A NOPS Amendment Notice shall contain a revised detailed description of each replacement Deliverable Obligation that Buyer will Deliver to Seller (each, a "Replacement Deliverable Obligation") and shall also specify the Outstanding Amount of each Deliverable Obligation identified in the Notice of Physical Settlement or a prior NOPS Amendment Notice, as applicable, that is being replaced (with respect to each such Deliverable Obligation, the "Replaced Deliverable Obligation Outstanding Amount"). The Outstanding Amount of each Replacement Deliverable Obligation identified in a NOPS Amendment Notice shall be determined by applying the Revised Currency Rate to the relevant Replaced Deliverable Obligation Outstanding Amount. The Outstanding Amount of the Replacement Deliverable Obligations specified in any NOPS Amendment Notice in aggregate with the Outstanding Amount of the

Deliverable Obligations specified in the Notice of Physical Settlement or any earlier NOPS Amendment Notice which, in each case, are not being replaced must not be greater than the Aggregate Outstanding Amount. Each such NOPS Amendment Notice must be effective on or prior to the Physical Settlement Date (determined without reference to any change resulting from such NOPS Amendment Notice).

A form of Notice of Physical Settlement is set forth in Exhibit C.

Notwithstanding the foregoing, (i) Buyer may correct any errors or inconsistencies in the detailed description of each Deliverable Obligation contained in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, by notice to Seller prior to the relevant Delivery Date and (ii) if Asset Package Delivery is applicable, Buyer shall on the NOPS Effective Date, or as soon as reasonably practicable thereafter (but in any case, prior to the Delivery Date), notify Seller of the detailed description of the Asset Package, if any, that it intends to Deliver to Seller in lieu of the Prior Deliverable Obligation or Package Observable Bond, if any, specified in the Notice of Physical Settlement or NOPS Amendment Notice, as applicable, it being understood in each case that such notice shall not constitute a NOPS Amendment Notice.

Section 8.7. Asset. "Asset" means each obligation, equity, amount of cash, security, fee (including any "early-bird" or other consent fee), right and/or other asset, whether tangible or otherwise and whether issued, incurred, paid or provided by the Reference Entity or a third party (or any value which was realized or capable of being realized in circumstances where the right and/or other asset no longer exists).

Section 8.8. Asset Package Delivery. Asset Package Delivery will apply if an Asset Package Credit Event occurs, unless (i) such Asset Package Credit Event occurs prior to the Credit Event Backstop Date determined in respect of the Credit Event specified in the Credit Event Notice or DC Credit Event Announcement applicable to the Event Determination Date, or (ii) if the Reference Entity is a Sovereign, no Package Observable Bond exists immediately prior to such Asset Package Credit Event.

- (I) a No Auction Announcement Date occurs pursuant to Section 6.11(b) (*No Auction Announcement Date*) and such Credit Derivative Transaction has not been subject to exercise of the Movement Option; or
- (II) a No Auction Announcement Date occurs pursuant to Section 6.11(c)(ii) (*No Auction Announcement Date*) and such Credit Derivative Transaction has not been subject to exercise of the Movement Option,

provided that in the case of Sections 8.10(a)(ii) and (b), the relevant Credit Event Resolution Request Date, if any, occurred on or prior to the date described in Section 8.10(a)(i).

- (m) Indicative Quotations shall be applicable under Section 9.6 only if the Partial Cash Settlement Terms become applicable to a Credit Derivative Transaction due to the occurrence of an event giving rise to an impossibility or illegality under Section 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*).

Section 9.7. Buy-in of Bonds Not Delivered. At any time after the date that is five Business Days after the Physical Settlement Date, if Buyer has not Delivered any Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, that are Bonds (other than any Bond which (i) is a Prior Deliverable Obligation or a Package Observable Bond which Buyer has notified Seller it intends to Deliver an Asset Package in lieu thereof, or (ii) forms part of an Asset Package which Buyer has notified Seller it intends to Deliver), Seller may exercise a right to close out all or a portion of the Credit Derivative Transaction by the purchase of such Bonds under the terms of Section 9.7 (a "buy-in"), unless such failure to Deliver is due to an event described in Section 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*) (in which case Section 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*) shall apply). Seller will provide Buyer two or more Business Days' notice (which may be provided prior to the expiration of the five Business Day period after the Physical Settlement Date) of its intention to buy-in (a "Buy-in Notice"), specifying the date of the anticipated buy-in (the "Buy-in Date"), the Bonds to be subject to the buy-in (to the extent not Delivered prior to the Buy-in Date, the "Relevant Bonds") and the Outstanding Principal Balance thereof sought to be bought-in.

On the Buy-in Date, Seller shall attempt to obtain from five or more Dealers firm quotations for the sale ("Buy-in Offers") of the specified Outstanding Principal Balance of the Relevant Bonds (together with any accrued interest thereon to the extent not already included as part of the Outstanding Principal Balance). The lowest Buy-in Offer or, if Seller obtains only one Buy-in Offer, such Buy-in Offer, for the Outstanding Principal Balance of the Relevant Bonds shall be the "Buy-in Price". If Seller is unable to obtain at least one Buy-in Offer from such Dealers on the relevant Buy-in Date for the specified Outstanding Principal Balance of the Relevant Bonds, Seller will attempt to obtain Buy-in Offers for all or a portion of the specified Outstanding Principal Balance of the Relevant Bonds from five or more Dealers on each Business Day following the Buy-in Date until the earlier of (a) the fourth Business Day (inclusive) following such Buy-in Date and (b) the date a Buy-in Price or Prices are determined for all of the specified Outstanding Principal Balance of the Relevant Bonds (such period commencing on the Buy-in Date, the "Buy-in Period"). Seller will conduct the buy-in in a commercially reasonable manner and in accordance with the procedures set forth herein.

Buyer's right to Deliver the specified Outstanding Principal Balance of the Relevant Bonds shall be suspended only during the Buy-in Period and shall recommence on the first Business Day following the end of the Buy-in Period to the extent Seller has not determined a Buy-in Price or Prices for the specified Outstanding Principal Balance of the Relevant Bonds. Seller shall commit to purchase such Outstanding Principal Balance of the Relevant Bonds at the applicable Buy-in Price or Prices. Thereafter, to the extent a Buy-in Price has not been determined during a Buy-in Period with respect to all of the specified Outstanding Principal Balance of the Relevant Bonds, on or at any time after the sixth Business Day after such Buy-in Period, Seller may give another Buy-in Notice for purposes of commencing another Buy-in Period for the Relevant Bonds in accordance with the procedures set forth herein. This process may be repeated until the final settlement of the Credit Derivative Transaction.

On the date a Buy-in Price is determined (or as soon as practicable thereafter), Seller will provide notice of the Outstanding Principal Balance of the Relevant Bonds for which a Buy-in Price or Prices were determined and the Buy-in Price or Prices therefor. On the third Business Day following such notice, Buyer will be deemed to have Delivered an Outstanding Principal Balance of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, for which a Buy-in Price was determined and Seller will pay to Buyer that portion of the Physical Settlement Amount that corresponds to such portion of the Deliverable Obligations, reduced (but not below zero) by the Buy-in Price multiplied by the corresponding Outstanding Principal Balance of the Relevant Bonds for which a Buy-in Price was determined, plus any reasonable brokerage costs incurred by Seller in connection with any purchases by it of the Relevant Bonds as part of the buy-in.

Unless otherwise agreed by Buyer and Seller, Section 9.7 shall replace any otherwise applicable buy-in rules.

Section 9.8. Alternative Procedures Relating to Loans Not Delivered. If Buyer has not Delivered any Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, that are Loans (other than any Loan which (i) is a Prior Deliverable Obligation which Buyer has notified Seller it intends to Deliver an Asset Package in lieu thereof, or (ii) forms part of an Asset Package which Buyer has notified Seller it intends to Deliver) on or prior to the date that is five Business Days after the Physical Settlement Date (the "Loan Alternative Procedure Start Date"), the following provisions shall apply unless (a) "Reference Obligation Only" has been specified as the Deliverable Obligation Category in the related Confirmation, (b) in the case of a Consent Required Loan, "Partial Cash Settlement of Consent Required Loans" is specified as applicable in the related Confirmation (in which case Section 9.2 (*Partial Cash Settlement of Consent Required Loans*) shall apply), (c) in the case of an Assignable Loan, "Partial Cash Settlement of Assignable Loans" is specified as applicable in the related Confirmation (in which case Section 9.3 (*Partial Cash Settlement of Assignable Loans*) shall apply), (d) in the case of a Direct Loan Participation, "Partial Cash Settlement of Participations" is specified as applicable in the related Confirmation (in which case Section 9.4 (*Partial Cash Settlement of Participations*) shall apply), or (e) in any case, such failure to Deliver is due to an event described in Section 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*) (in which case Section 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*) shall apply):

- (i) If Buyer has failed to obtain the requisite consents to Deliver a Loan specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable and has provided a certificate signed by a Managing Director (or other substantively equivalent title) of Buyer, which certifies that Buyer has used reasonable efforts to obtain such consents, at any time following the Loan Alternative Procedure Start Date, Buyer may Deliver, in lieu of all or part of such Loan, subject to Section 3.31 (*Mod R*) or 3.32 (*Mod Mod R*), any Bond that is Transferable and Not Bearer or any Assignable Loan, in either case selected by Buyer and having on both the Physical Settlement Date and the Delivery Date each of the Deliverable Obligation Characteristics (other than Consent Required Loan or Direct Loan Participation), if any, specified in the related Confirmation and otherwise satisfying the requirements to constitute a Deliverable Obligation (and such instrument shall be deemed specified in a NOPS Amendment Notice which will be effective notwithstanding the fact that it is deemed specified after the Physical Settlement Date).
- (ii) At any time after the fifteenth Business Day following the Loan Alternative Procedure Start Date, to the extent that there still remains to be Delivered any Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable that are Loans and Buyer has not Delivered any Bond or Loan in lieu thereof under Section 9.8(i), Seller may require Buyer to Deliver, in lieu of all or part of a Loan specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, any Bond that is Transferable and Not Bearer or any Assignable Loan, in either case selected by Seller and having on both the Physical Settlement Date and the Delivery Date each of the Deliverable Obligation Characteristics (other than Consent Required Loan or Direct Loan Participation), if any, specified in the related Confirmation and otherwise satisfying the requirements to constitute a Deliverable Obligation (and such instrument shall be deemed specified in a NOPS Amendment Notice which will be effective notwithstanding the fact that it is

deemed specified after the Physical Settlement Date), so long as (A) Seller identifies a holder of, or dealer in, the selected instrument (other than Seller or an Affiliate of Seller) that is ready, willing and able to Deliver such instrument to Buyer at a price (expressed as a percentage) less than the Reference Price and (B) such instrument may be further Delivered by Buyer to Seller without the consent of any person being required.

Section 9.9. Alternative Procedures Relating to Assets Not Delivered. If and to the extent that Delivery of the Prior Deliverable Obligation or Package Observable Bond has not been satisfied by Delivery of the Assets which form part of the Asset Package which Buyer has notified Seller that it intends to Deliver in lieu of the Prior Deliverable Obligation or Package Observable Bond specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, in the correct proportion, on or prior to the date that is five Business Days after the Physical Settlement Date, Seller may require Buyer to Deliver instead any other Deliverable Obligation selected by Seller and having on both the Physical Settlement Date and the Delivery Date each of the Deliverable Obligation Characteristics, if any, specified in the related Confirmation and otherwise satisfying the requirements to constitute a Deliverable Obligation (and such Deliverable Obligation shall be deemed specified in a NOPS Amendment Notice which will be effective notwithstanding the fact that it is deemed specified after the Physical Settlement Date), so long as (a) Seller identifies a holder of, or dealer in, the selected instrument (other than Seller or an Affiliate of Seller) that is ready, willing and able to Deliver such Deliverable Obligation to Buyer at a price (expressed as a percentage) less than the Reference Price and (b) such Deliverable Obligation may be further Delivered by Buyer to Seller without the consent of any person being required.

Section 9.10. Cap on Settlement. If "60 Business Day Cap on Settlement" is specified as applicable in the related Confirmation and the Termination Date has not occurred on or prior to the date that is sixty Business Days following the Physical Settlement Date, notwithstanding Sections 9.7 (*Buy-in of Bonds Not Delivered*) 9.8 (*Alternative Procedures Relating to Loans Not Delivered*) and 9.9 (*Alternative Procedures Relating to Assets Not Delivered*) and without prejudice to Sections 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*), 9.2 (*Partial Cash Settlement of Consent Required Loans*), 9.3 (*Partial Cash Settlement of Assignable Loans*) and 9.4 (*Partial Cash Settlement of Participations*), such sixtieth Business Day shall be deemed to be the Termination Date with respect to the Credit Derivative Transaction except in relation to any portion of such Credit Derivative Transaction (an "Affected Portion") in respect of which:

- (a) a valid notice of Buy-in Price has been delivered that is effective fewer than three Business Days prior to such sixtieth Business Day, in which case the Termination Date for that Affected Portion shall be the third Business Day following the date on which such notice is effective; or
- (b) Buyer has purchased but not Delivered Deliverable Obligations validly specified by Seller pursuant to Sections 9.8(ii) (*Alternative Procedures Relating to Loans Not Delivered*) or 9.9 (*Alternative Procedures Relating to Assets Not Delivered*), in which case the Termination Date for that Affected Portion shall be the tenth Business Day following the date on which Seller validly specified such Deliverable Obligations to Buyer.

ARTICLE X EFFECT OF DC RESOLUTIONS

Section 10.1. Settlement Suspension. If, following the occurrence of an Event Determination Date but prior to the Physical Settlement Date or, to the extent applicable, a Valuation Date, there is a DC Credit Event Meeting Announcement, the timing requirements of Sections 7.2 (*Cash Settlement Date*), 7.8 (*Valuation Date*), 8.1 (*Physical Settlement*), 8.10 (*NOPS Cut-off Date*), and 8.19 (*Physical Settlement Period*), as applicable, or any other Section of the Definitions that pertains to settlement, shall toll and remain suspended until the date of the relevant DC Credit Event Announcement or DC Credit Event Question Dismissal. During such suspension period, the parties are not obliged to, nor are they entitled to, take any action in connection with the settlement of any relevant Credit Derivative Transaction. Once the relevant DC Credit Event Announcement or DC Credit Event Question Dismissal, as applicable, has occurred, the relevant timing requirements of Sections 7.2 (*Cash Settlement Date*), 7.8 (*Valuation Date*), 8.1 (*Physical Settlement*), 8.10 (*NOPS Cut-off Date*), and 8.19 (*Physical Settlement Period*), as applicable, or any other Section of the Definitions that pertains to settlement that have previously tolled or been suspended shall resume on the Business Day following such public announcement by the DC Secretary with the parties having the benefit of the full day notwithstanding when the tolling or suspension began in accordance with Section 10.1.

Section 10.2. Effect of DC Resolutions. Any DC Resolution of the relevant Credit Derivatives Determinations Committee that is applicable to such Credit Derivative Transaction, including a DC Resolution that reverses a previous DC Resolution, shall be binding on Buyer and Seller:

(a) provided that:

- (i) if the effect of a DC Resolution would be to reverse (A) a prior DC Resolution of the relevant Credit Derivatives Determinations Committee, (B) any determination made by the Calculation Agent that is effectively notified to the parties to the Credit Derivative Transactions prior to the fifth Business Day which immediately precedes the Successor Resolution Request Date or a Substitute Reference Obligation Resolution Request Date, as applicable, or (C) the occurrence of an Event Determination Date, that, in any case, has resulted in:
 - (I) the identification of one or more Successors;
 - (II) the identification of a Substitute Reference Obligation; or
 - (III) the occurrence of an Auction Final Price Determination Date, Physical Settlement Date or Termination Date, as applicable, or to the extent of the occurrence of a Valuation Date or Delivery Date, as applicable, in each case, on or prior to the date that the DC Secretary publicly announces such DC Resolution of the relevant Credit Derivatives Determinations Committee,

then such DC Resolution shall not be effective for purposes of the Credit Derivative Transaction, or, in the case of a Valuation Date or Delivery Date only, shall not be effective to the extent that a Valuation Date or Delivery Date has occurred; and

- (ii) if Buyer and Seller have included any provision in the terms of the applicable Credit Derivative Transaction that seeks to amend or override the agreement contained in Section 10.2 by expressly referring in writing to Section 10.2 and which would otherwise be effective in accordance with the terms of the relevant Credit Derivative Transaction, then any DC Resolution shall not be effective for purposes of such Credit Derivative Transaction; and

- (b) notwithstanding:
- (i) that the Definitions, as supplemented, or any provisions incorporated in the related Confirmation, as applicable, may require such determination to be made by the Calculation Agent;
 - (ii) any provision in the master agreement between Buyer and Seller that governs the relevant Credit Derivative Transaction and/or the related Confirmation, as applicable (but in each case, without prejudice to Section 10.2(a)(ii)), that describes an alternative mechanism for resolving, in the absence of agreement between Buyer and Seller, any matter that is Resolved by the relevant Credit Derivatives Determinations Committee;
 - (iii) that in order to reach such DC Resolution, the relevant Credit Derivatives Determinations Committee may be required to Resolve one or more factual matters before being able to reach such DC Resolution; and
 - (iv) any actual or perceived conflict of interest on the part of a DC Party, legal counsel or other third-party professional hired by such DC Party in connection with such DC Party's performance of its duties under the DC Rules.

ARTICLE XI
ADDITIONAL REPRESENTATIONS AND AGREEMENTS OF THE PARTIES

Section 11.1. Additional Representations and Agreements of the Parties.

- (a) Buyer and Seller shall each be deemed to represent to the other party on the Trade Date that, in connection with such Credit Derivative Transaction, neither the other party nor any of the other party's Affiliates have made any representation whatsoever with respect to the Reference Entity, the Reference Obligation, any Obligation, any Deliverable Obligation, any Underlying Obligor or any Underlying Obligation on which it is relying or is entitled to rely.
- (b) On the Trade Date, Buyer and Seller shall each be deemed to agree with the other that, so long as either party has or may have any obligation under the Credit Derivative Transaction:
 - (i) the parties will be obligated to perform their respective obligations, in accordance with Section 5.1 (*Settlement*), irrespective of the existence or amount of the parties' credit exposure to the Reference Entity, and Buyer need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event;
 - (ii) such Credit Derivative Transaction does not create any rights or impose any obligations in respect of any entity that is not a party to such Credit Derivative Transaction;
 - (iii) each party and its Affiliates and the Calculation Agent may deal in the Reference Obligation, each Obligation, each Deliverable Obligation and each Underlying Obligation and may, where permitted, accept deposits from, make loans or otherwise extend credit to, and generally engage in any kind of commercial or investment banking or other business with, the Reference Entity, any Underlying Obligor, any Affiliate of the Reference Entity or of the Underlying Obligor, or any other person or entity having obligations relating to the Reference Entity, any Underlying Obligor, or any Affiliate of the Reference Entity or of the Underlying Obligor, and may act (but is not obliged to act) with respect to such business in the same manner as each of them would if such Credit Derivative Transaction did not exist, regardless of whether any such action might have an adverse effect on the Reference Entity, any Underlying Obligor, any Affiliate of the Reference Entity or of the Underlying Obligor, or the position of the other party to such Credit Derivative Transaction or otherwise (including, without limitation, any action which might constitute or give rise to a Credit Event);
 - (iv) each party and its Affiliates and the Calculation Agent may, whether by virtue of the types of relationships described herein or otherwise, on the Trade Date or at any time thereafter, be in possession of information in relation to the Reference Entity, any Underlying Obligor or any Affiliate of the Reference Entity or of the Underlying Obligor, that is or may be material in the context of such Credit Derivative Transaction and that may or may not be publicly available or known to the other party, and such Credit Derivative Transaction does not create any obligation on the part of such party, its Affiliates or the Calculation Agent to disclose to the other party any such relationship or information (whether or not confidential);
 - (v) unless it is otherwise bound by or subject to a confidentiality obligation or agreement, a party receiving any information from the other party with respect to such Credit Derivative Transaction shall not become subject to any obligation of confidentiality in respect of that information and the transferor of such information shall indemnify and hold harmless the transferee for any loss, liability, claim, damage and expense whatsoever incurred by the transferee arising out of the breach of any law or understanding or agreement with respect to the confidentiality of that information to which the transferor may be party;

- (vi) each party has determined to enter into such Credit Derivative Transaction notwithstanding any information described in Section 11.1(b)(iv) that the other party may have possession of, and notwithstanding that such party may be contractually prohibited from disclosing or offering to disclose such information to the other party by virtue of any credit agreement or other agreement with the Reference Entity, any Underlying Obligor, any Affiliate of the Reference Entity or of the Underlying Obligor, or any other person or entity having obligations relating to the Reference Entity, any Underlying Obligor, any Affiliate of the Reference Entity or the Underlying Obligor or otherwise; and
 - (vii) neither party shall have any liability to the other party (or its officers, directors, agents, partners, members, controlling entities or employees) and each party waives and releases any claims that it might have against the other party (or its officers, directors, agents, partners, members, controlling entities or employees) whether under applicable securities laws or otherwise, with respect to the non-disclosure of any information described in Section 11.1(b)(iv) in connection with such Credit Derivative Transaction; provided, however, that such information does not and shall not affect the truth or accuracy of any representation made by such party herein or in the related Confirmation.
- (c) On the Trade Date, Buyer and Seller shall each be deemed to agree with the other:
- (i) that no DC Party and no legal counsel or other third-party professional hired by a DC Party in connection with such DC Party's performance of its respective duties under the DC Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, shall be liable, whether for negligence or otherwise, to Buyer or Seller for any form of damages, whether direct, indirect, special, consequential or otherwise, that might arise in connection with such DC Party's performance of its duties, or any advice given by legal counsel or any other third-party professional hired by such DC Party in connection with such DC Party's performance of its respective duties, under the DC Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, except in the case of fraud or willful misconduct on the part of such DC Party, legal counsel or other third-party professional, as applicable; provided that, notwithstanding the foregoing, legal counsel or any other third-party professional hired by a DC Party in connection with such DC Party's performance of its duties under the DC Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, may still be liable to such DC Party;
 - (ii) to waive any claim, whether for negligence or otherwise, that may arise against a DC Party and any legal counsel or other third-party professional hired by such DC Party in connection with such DC Party's performance of its duties under the DC Rules, except in the case of fraud or willful misconduct on the part of such DC Party, legal counsel or other third-party professional, as applicable; provided that, notwithstanding the foregoing, legal counsel or any other third-party professional hired by a DC Party in connection with such DC Party's performance of its duties under the DC Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, may still be liable to such DC Party;
 - (iii) that no DC Party is (A) under any obligation to research, investigate, supplement, or verify the veracity of, any information on which the relevant Credit Derivatives Determinations Committee bases its decision and (B) acting as a fiduciary for, or as an advisor to, Buyer or Seller in connection with the relevant Credit Derivative Transaction;
 - (iv) that, in reaching any DC Resolution that is applicable to such Credit Derivative Transaction, the relevant Credit Derivatives Determinations Committee shall be under no requirement to consult with, or individually notify, Buyer or Seller, notwithstanding any provision of the Definitions, as supplemented, or of the relevant additional provisions published by ISDA and incorporated in the related Confirmation to the contrary; and

- (v) that, with respect to any DC Resolution of the relevant Credit Derivatives Determinations Committee, if there is any inconsistency between (A) any provision of either (I) the Definitions, as supplemented, or (II) any provisions incorporated in the related Confirmation and (B) the DC Rules, the DC Rules will govern.
- (d) On the Trade Date, Buyer and Seller shall be deemed to acknowledge the Disclaimer by the DC Parties provision contained in the DC Rules.

Section 11.2. Additional Representations and Agreements for Physical Settlement.

- (a) If Physical Settlement applies to a Credit Derivative Transaction (except in relation to Direct Loan Participations), Buyer shall be deemed to represent to Seller on each Delivery Date (which representation shall survive any such Delivery Date) that it has conveyed (or, if applicable, caused to be conveyed) to Seller (or, if applicable, its designee) all right, title (or, with respect to Deliverable Obligations where only equitable title is customarily conveyed, all equitable title) and interest in the Deliverable Obligations being Delivered on such date free and clear of any and all liens, charges, claims or encumbrances (excluding any liens routinely imposed on all securities in a relevant clearance system, but including, without limitation, any counterclaim, defense (other than a counterclaim or defense based on the factors set forth in Section 4.1(a) to (d) (*Credit Event*)) or right of set-off by or of the Reference Entity or any applicable Underlying Obligor). Subject to reasonable verification by Buyer, Buyer shall indemnify, and hold harmless, Seller for any loss, liability, claim, damage and expense whatsoever incurred arising out of Buyer's breach of the representations contained in Section 11.2(a). The indemnification in the preceding sentence shall survive the Termination Date. Any breach of the representations contained in Section 11.2(a) shall not constitute an event of default in any master agreement governing the Credit Derivative Transaction.
- (b) If Physical Settlement applies to a Credit Derivative Transaction, Buyer shall be deemed to represent to Seller on each Delivery Date (which representation shall survive any such Delivery Date) that, unless Seller has received an indemnity acceptable to Seller from Buyer with respect to the following, Delivery of such Deliverable Obligations to Seller and transfer of such Deliverable Obligations by Seller to a third party will not require or cause Seller to assume, and will not subject Seller to, any obligation, liability or commitment to lend additional funds (including any outstanding contingent commitment) (in each case other than (i) immaterial, non-payment obligations and any assignment or transfer fee in respect of Loans and (ii) obligations arising under customary provisions in respect of Borrowed Money, including but not limited to requirements that holders thereof indemnify or reimburse a trustee, fiscal agent, administrative agent, clearing agent, paying agent, facility agent or agent bank or similar person or entity for costs, liabilities or expenses and customary pro rata sharing provisions requiring any amount received by a lender through payment, set-off or otherwise other than through the procedures set forth in the relevant Loan documentation to be shared with other lenders).
- (c) If Physical Settlement applies to a Credit Derivative Transaction, the following will apply:
 - (i) Buyer and Seller agree (which agreement shall survive the Termination Date) to execute, deliver, file and record any specific assignment, novation or other document and to take any other action that may be necessary or customary or desirable and reasonably requested by the other party in connection with Buyer's Delivery of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable (including demonstrating to the reasonable satisfaction of Seller that Buyer has taken all reasonable steps to obtain any requisite consents and keeping Seller apprised of any occurrence of which Buyer is (or reasonably should be) aware that may affect Buyer's ability to Deliver to Seller Deliverable Obligations as specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable) and Buyer and Seller agree to cooperate reasonably in connection with the foregoing.

- (ii) Subject to Sections 8.1 (*Physical Settlement*), 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*), 9.2 (*Partial Cash Settlement of Consent Required Loans*), 9.3 (*Partial Cash Settlement of Assignable Loans*), 9.4 (*Partial Cash Settlement of Participations*), 9.7 (*Buy-in of Bonds Not Delivered*), 9.8 (*Alternative Procedures Relating to Loans Not Delivered*), 9.9 (*Alternative Procedures Relating to Assets Not Delivered*) and 9.10 (*Cap on Settlement*), Buyer may Deliver only the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable and only up to the amounts specified therein for each such Deliverable Obligation. Buyer may continue to attempt to Deliver the whole of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable after the Physical Settlement Date.

If Buyer fails to Deliver Deliverable Obligations as specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, such failure shall not constitute a breach of agreement, or an event of default in any master agreement governing the Credit Derivative Transaction.

Subject to Sections 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*), 9.2 (*Partial Cash Settlement of Consent Required Loans*), 9.3 (*Partial Cash Settlement of Assignable Loans*), 9.4 (*Partial Cash Settlement of Participations*) and 9.10 (*Cap on Settlement*), the latest of (A) the date that Buyer completes Delivery of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, (B) the date that Seller completes a buy-in pursuant to Section 9.7 (*Buy-in of Bonds Not Delivered*) with respect to all Bonds specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, that Buyer has failed to Deliver (or, if earlier, the latest date all such Bonds cease to exist), (C) the date that alternative delivery pursuant to Section 9.8 (*Alternative Procedures Relating to Loans Not Delivered*) has been completed with respect to all Loans specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, that Buyer has failed to Deliver and (D) the date that alternative delivery pursuant to Section 9.9 (*Alternative Procedures Relating to Assets Not Delivered*) has been completed with respect to all Assets specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, that Buyer has failed to Deliver, shall be deemed to be the Termination Date.

- (iii) If an event that would otherwise constitute or give rise to an impossibility or illegality under Section 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*) occurs and would also constitute an event which would entitle a party to terminate such Credit Derivative Transaction under a master agreement governing the Credit Derivative Transaction, it will be governed by Section 9.1 (*Partial Cash Settlement Due to Impossibility or Illegality*) and will not entitle a party to terminate such Credit Derivative Transaction under a master agreement governing the Credit Derivative Transaction.
- (iv) Either party (the "designator") may designate any of its Affiliates (the "designee") to Deliver or take Delivery, as the case may be, and otherwise to perform such party's obligations to Deliver or take Delivery, as the case may be, in respect of a Credit Derivative Transaction and the designee may assume such obligations. Such designation shall not relieve the designator of any of its obligations under such Credit Derivative Transaction. If the designee has performed the obligations of the designator under such Credit Derivative Transaction, then the designator shall be discharged of its obligations to the other party to the extent of such performance. If, as a result of such designation, (A) it would be illegal due to any applicable law or regulation for the designee to so Deliver or take Delivery, the designator shall not be permitted to designate such designee to Deliver or to take Delivery, or (B) such Delivery would give rise to any Tax, any transaction tax or any loss or cost to the non-designating party, then the designator shall not be permitted to designate such designee to Deliver or to take Delivery unless the non-designating party has received an

indemnity acceptable to it from the designating party with respect to such Tax, transaction tax, loss or cost.

- (v) Unless otherwise specified in the related Confirmation, any recordation, processing or similar fee reasonably incurred by Buyer and payable to the agent under a Loan in connection with an assignment or novation (where Deliverable Obligations include Assignable Loans or Consent Required Loans) or participation (where Deliverable Obligations include Direct Loan Participations) shall be payable by Buyer and Seller equally on the Delivery Date or Latest Permissible Physical Settlement Date, as applicable.
- (vi) Notwithstanding any other provision of the Credit Derivative Transaction, if any Stamp Tax or transaction tax is payable in connection with the Delivery of Deliverable Obligations, payment of such Stamp Tax or transaction tax (as applicable) shall be made by the party or parties that would in the ordinary course bear such cost under a contract for purchase of the Deliverable Obligation.

Section 11.3. No Frustration. In the absence of other reasons, a Credit Derivative Transaction will not be considered frustrated, or otherwise void or voidable (whether for mistake or otherwise) solely because:

- (a) the Reference Entity does not exist on, or ceases to exist on or following, the Trade Date; and/or
- (b) Obligations, Deliverable Obligations or the Reference Obligation do not exist on, or cease to exist on or following, the Trade Date.

Section 11.4. Merger of Reference Entity and Seller. If Seller or the Reference Entity consolidates or amalgamates with, or merges into, or transfers all or substantially all its assets to, the Reference Entity or Seller, as applicable, or Seller and the Reference Entity become Affiliates, an Additional Termination Event under the 2002 ISDA Master Agreement will be deemed to have occurred with Seller as the sole Affected Party, with each Credit Derivative Transaction referencing the Reference Entity as the Affected Transactions and Close-out Amount as the applicable payment measure (irrespective of the payment measure specified by the parties in any master agreement between them) and each such Credit Derivative Transaction will be terminated in accordance with any applicable provisions set forth in the 2002 ISDA Master Agreement.
