

## Lenka Robbins

CEEMEA Fixed Income Strategist  
Nomura

Lenka Robbins is a CEEMEA Fixed Income Strategist at Nomura with more than 14 years of experience in Emerging Markets.

She recently joined the firm from Morgan Stanley, where she worked for nine years, with a focus on corporate issuers in Russia, CIS, Middle East, South Africa and Turkey.

Prior to that, she was at Bear Stearns where she was a Senior Analyst in Global Credit Risk Management.

Lenka has an MA and PhD from Brunel University, London, where she was a Chevening Scholar.
