

## Joop Huij

Vice President  
Robeco

Joop Huij is a Senior Researcher at Robeco's Quantitative Research department. He specializes in empirical asset pricing and investment strategies. Dr. Huij holds also a part-time position as Associate Professor of Finance at Rotterdam School of Management where he teaches asset management. He has published in, among others, the Journal of Banking and Finance, Financial Management, and Financial Analyst Journal.

Joop joined Robeco as a Senior Researcher in October 2007. He holds a PhD in Finance from Rotterdam School of Management and a MSc in Informatics & Economics (cum laude) from Erasmus University Rotterdam.
