

Dr. Michael Heldmann, CFA

Senior Portfolio Manager
Allianz Global Investors

Dr. Michael Heldmann is a portfolio manager of Best Styles products at the Systematic Equities group at Allianz Global Investors in Frankfurt, Germany.

He is responsible for Best Styles Emerging Markets as well as for European funds which he successfully manages since 2007.

In addition to portfolio management he spends a significant part of his time contributing to the quantitative research at Allianz Global Investors in the area of style investing.

Before joining the Systematic Equity team he worked for the international laboratory CERN, Geneva, Switzerland as a researcher in the field of particle physics. He obtained a master's degree from the University of Mainz, Germany and a doctorate degree in Physics from the University of Freiburg, Germany. He is a CFA charter holder since 2011.
