

## **Eli Amit**

Senior VP Economics  
Israel Chemicals Ltd. (ICL)

Mr. Amit is Senior VP Economics of ICL, one of the world's leading fertilizer and specialty chemicals companies. His current responsibilities include overseeing ICL's budgeting, capital allocation and financial performance monitoring processes. In addition, Mr. Amit serves as Chairman of the Board of Dead Sea Magnesium, a subsidiary of ICL, and as a member of the Board of most of ICL's other subsidiaries.

Prior to joining ICL in 1999, Mr. Amit served as the Chief Economist of Clal Industries and Investments Ltd., a publicly-traded member of the IDB holding company, and as a director of several of its subsidiaries.

Mr. Amit holds an M.A. in Economics from Northwestern University and an M.B.A. from Tel-Aviv University. He was a senior research fellow at Israel's Interdisciplinary Center for Technological Analysis & Forecast and held a variety of positions in the economics departments of several Israeli companies and universities.
