

## **Gilles Auffret**

Member of the Executive Committee  
Solvay

Gilles Auffret began his career in 1975 as an auditor in the French Government Accounting Office.

In 1982, he joined Pechiney, where he held several positions of responsibility before being appointed Director of the Primary Aluminium Department.

In 1999, he joined Rhodia as Chief Operating Officer of the Polyamide Division.

In 2001 he was appointed Chief Operating Officer of Rhodia and one of the four members of the Group's Executive Committee.

Following the merger with Solvay, Gilles Auffret joined the Executive Committee of the Group in September 2011 and was appointed CEO of the Rhodia Sector.

Gilles Auffret is a graduate of France's Ecole Nationale d'Administration (ENA) and Ecole Polytechnique.
